Members

Consumer Energy Alliance has more than 400,000 individual members across the United States, representing every sector of the U.S. economy. CEA is committed to working together with our affiliates to provide consumers with sound, unbiased information on U.S. and global energy issues. Our corporate members comprise a range of sectors from the energy industry, academia, small businesses, retirees, conservation groups to travel-related industries.

Energy Voices
A new report released today by Consumer Energy Alliance (CEA) found that rejecting pipeline infrastructure would remove almost one-third of U.S. electricity generation capacity by 2030, dangerously raising electric rates nationwide, especially for poverty-stricken households. The report, titled “Families, Communities and Finances: The Consequences of Denying Critical Pipeline Infrastructure,” found that by 2030, 31 percent [...]
