E2.3 Global action

The company actively participates in both industry-specific and business associations and organizations in each significant place where it operates.

Table 58 - Key memberships and trade associations in the wind sector

On top of the most relevant global sectorial associations (GWEC, WindEurope, AWEA, IWTMA, ABEEOICA, AMDEE, VDMA, Danish Industry, etc.), we are also members to the following initiatives:

a. RES4AFRICA Foundation\(^{58}\), focused in unlocking the full potential of renewables in the continent. Currently focused in the Renew-Africa initiative\(^{59}\) which may become the Europe-Africa tool to create the appropriate frameworks to accelerate the African Energy transition.

b. EU-Africa High Level Platform on Sustainable Energy Investments\(^{60}\)

c. Green Recovery Alliance initiative\(^{61}\),

d. Uniting Business and Governments to Recover Better statement as part of the Science Based Targets initiative and its Business Ambition for 1.5°C campaign\(^{62}\)

e. IRENA Coalition for action Green Recovery statement\(^{63}\).

f. Engagement in high level discussions as organized on May 26th, 2020 by GWEC with Executive Director at IEA, Dr Fatih Birol\(^{64}\).
