Australian Finance Industry Association

AFIA is a leading advocate for the Australian financial services industry. We support our members to finance Australia's future. We believe that our industry can best support Australia's economy by promoting choice in and access to consumer and business finance, driving competition and innovation in financial services, and supporting greater financial, and therefore social, participation across our community. AFIA represents over 100 providers of consumer, commercial and wholesale finance across Australia. These banks, finance companies, fleet and car rental providers, and fintechs provide traditional and more specialised finance to help businesses mobilise working capital, cashflow and investment. They are also at the forefront of financial innovation in consumer finance.
