Members of CLG Europe are leaders from a range of industries, including retail and consumer goods, transport and infrastructure, finance, the built environment, and power generation. CLG Europe members have headquarters across the EU and a footprint extending far beyond Europe.

CLG Europe membership is defined by a willingness to share experience and lead from the front. Through high-level convening, quality research, and new partnerships, CLG Europe informs public policy and leads the wider business community by example.

With a wealth of experience, and millions of customers, employees and suppliers, the CLG Europe members’ collective perspective is informed by its continued commercial success, and ability to innovate, adapt and thrive in a changing economic climate.
