ASGroup - our partner companies

Alongside the national federations which together constitute BusinessEurope, the Corporate Advisory and Support Group offers particular services to a selection of companies in all sectors of activity. These companies enjoy an important status within BusinessEurope.

Last updated: 2 March 2022

BusinessEurope is the leading advocate for growth and competitiveness at European level, standing up for companies across the continent and actively campaigning on the issues that most influence their performance. We speak for all-sized enterprises in 35 European countries whose national business federations are our direct members.
