Our Members

ANGEA's founding members represent liquefied natural gas and other energy producers, energy buyers, suppliers and companies operating in the Asia Pacific region.

Working together as a cohesive centralized advocacy body, ANGEA will help ensure the critical role of gas alongside renewables in the region's energy mix.
JGC
Benefits of being an ANGEA member

Policy considerations being made now will affect energy demand well into the future. The industry has an important role in contributing to energy policies across the region.

Working together as a cohesive centralised advocacy body will help ensure the long-term future of natural gas and other low carbon energy sources in the Asia Pacific region's energy mix.
